

Now is the time to show your support! We're halfway through the **March Match Drive!**

We're already halfway through March and it has been packed full of stuff!

As some of you already know from our Facebook and Instagram, we just received 3 new Patagonian Maras! (Seen in the picture above! [Click here](#) to read about their arrival) They're slowly acclimating to life at the sanctuary with our Maras that lived here already and they have all been getting along better than we could have hoped!

Along with getting these 3 adjusted to a new life, we've also been busy with spring cleaning here finishing up the last of our winter work, preparing the outdoor aviaries for the warm weather, and getting ready for open tours to the public starting up soon... So you can say it has been a busy March here at Foster Parrots.

But besides the warm weather coming, the **MOST** exciting the about March for us here at Foster Parrots is the **MARCH MATCH DRIVE!** As many of you are aware, March is one of the best times to show your love and support for us here at Foster Parrots. That is because during the month of March, all donations up to \$20,000 will be matched! That means that your donation will be **DOUBLED** without **ANY** extra cost to you. So show your support for Foster Parrots and help us reach our goal of \$50,000!

Show your support and make the **MOST** of your donations today!
